‘Snacks that are as **clean** as the label says’

Strengths

- Diverse product range
- Transparent, clean label ingredients builds trust.
- Strong branding & premium packaging.

Weakness

- Shorter shelf life.
- Limited offline reach.
- Premium pricing limits accessibility to mass markets.

Opportunity

- Expansion into Tier-2/3 cities.
- Highlight sustainability efforts.
- Introduce new product categories.

Threats

- High competition.
- Regulatory challenges
- Rising raw material costs.

The Golden Circle

WHY

To give people food they can trust, with zero hidden secrets.

HOW

By making products with:

- 100% honest ingredients
- Clear labels
- No marketing tricks

WHAT

Nutrition that tells the whole truth - protein bars, snacks, and supplements that are exactly what they claim to be.

Lightest

Protein Powder. Ever.

Brand Positioning

1

To
(Target)

Health-conscious individuals aged 25–65 who prioritize clean eating and demand transparency in their food choices.

2

The Whole Truth is the
(Category)

Clean-label snack brand in the healthy food category.

3

That
(Benefit)

Delivers truly honest, wholesome, and guilt-free snacks
Made with 100% natural ingredients, so you can trust what you're feeding yourself and your family.

4

That's because
(Support points)

- Every ingredient is clearly listed.
- Products are made from whole, recognizable ingredients.
- Ensures transparency at every step.

Brand Positioning Strategy

‘Your snack, Your truth.’

Snacks that spill the beans (literally)

Strategic Objectives

- Build a community
- Increase brand awareness
- Build Consumer trust

Website Experience

- Launch a Snack Tracker
- Created by us, tailor-made by you

Social Media

- Your food, Your voice
- Snack truth series

Email Marketing

- Story-Themed Newsletters
- Milestone Emails

Key Differentiators

- Unfiltered Authenticity
- Radical Transparency

Measurement Metrics

- Engagement and Conversion Rate
- Referral and viral coefficient

Scaling with Strategic Precision

Agency Advantages (Initial Phase)

Lower initial investment

Flexibility in scaling campaigns

Immediate access to specialized expertise

- **Initial budget:** ₹15-25 lakhs/year

**transition to
(18-24 months)**

In-House Team (Long-term Strategy)

Growing a brand requires a deep internal understanding

Need for continuous, agile content creation

Alignment with brand's radical transparency mission

- **Initial budget:** ₹40-60 lakhs/year

"Because You Deserve Snacks That Don't Ghost You."
